## **ARMANI HOTEL IN SAUDI ARABIA**

Diriyah Gate Development authority has announced plans for the new Armani hotel in Diriyah, Riyadh, Riyadh, Saudi Arabia

Armani Hotels & Resorts and Diriyah Gate Development Authority (DGDA) has announced plans for a signature Armani Hotel to be built in the city of Diriyah, Kingdom of Saudi Arabia, an area set to become an extraordinary international cultural and lifestyle destination inspired by the rich heritage of the country. With resemblance to Armani Hotels & Resorts' current hotels in Dubai and Milan, the property will be managed by Emaar Hospitality Group.

## SETTING STANDARDS

BEEAH Group's new headquarters in Sharjah, UAE, designed by Zaha Hadid Architects is now open

Zaha Hadid Architects (ZHA) new inaugurated project, the new BEEAH Headquarters is powered by solar arrays and equipped with next-generation technologies for operations at LEED Platinum standards. The headquarters is the latest milestone for BEEAH Group as it continues to pioneer innovations for Sharjah and across the globe, establishing a base of operations for the group to diversify into new, future-critical industries. With their new headquarters, BEEAH demonstrates how technology can scale sustainable impact and ultimately serve as a blueprint for tomorrow's smart, sustainable cities. To achieve net-zero emissions, the group's management and administrative centre sets a new benchmark for future workplaces. With their twin-pillared strategy of sustainability and digitalisation, BEEAH Group works across six key industries that include waste management and recycling, clean energy, environmental consulting, education and green mobility.
