TECNA 2024

Tecna, the International Exhibition of Technologies and Supplies for Surfaces is returning to the Rimini Expo Centre from 24 to 27 September 2024

Tecna, the International Exhibition of Technologies and Supplies for Surfaces, is set to return to the Rimini Expo Centre from 24 to 27 September 2024. Organised by IEG - Italian Exhibition Group in collaboration with Acimac (Italian Ceramic Machinery and Equipment Manufacturers' Association), the biennial event showcases the very best in aesthetic and process innovation within the industry. It hosts all the sector's leading companies and attracts large numbers of international buyers to Rimini. Over the years, the companies participating in Tecna have built the most efficient and sustainable factories in the world. They have revolutionised their production processes and product ranges and embraced the production of large custom-cut slabs. And with their strong focus on digital technologies and robotics, they have solidified their status as global leaders in innovation and technology, setting the standard for the future of the industry.

FAREWELL RARA AVIS

Iris Apfel, a textile expert, interior designer, fashion celebrity and a Rara Avis has passed, we bid her a warm farewell...

Iris Apfel, a textile expert, interior designer and fashion celebrity known for her eccentric style, has died. She was 102. Her death was confirmed by her commercial agent, Lori Sale, who called Apfel “extraordinary.” No cause of death was given. It was also announced on her verified Instagram page on Friday, which a day earlier had celebrated that Leap Day represented her 102nd-and-a-half birthday. Iris Apfel was a very influential fashion icon and interior decorator who helped restore the White House for nine presidents.
