PROJECT

RUSTIC ELEGANCE

A traditional Iberian house with a modern approach designed by architect Ramon Esteve.

“In the gates of one of the oldest territories in Europe, Rubielos de Mora, the entrance of Aragón, holds a rural house, which is both an architecture and design treasure. The location couldn't be more perfect, as the place where it is located has different nominations as the Europa Nostra Award and also, the award of one of the “Most Beautiful Villages in Spain”.

REDINED LUXURY

Giorgio Armani and the Russian real estate development company Vos'hod have entered into a partnership agreement to develop their first joint branded residential project in Moscow, named Armani/Casa Moscow Residences.

The Armani/Casa Moscow Residences are located in the most authentic area of Moscow, just a few steps from the State Tretyakov Gallery. The new residential development will embody the style and aesthetics of the Italian fashion house through 26 residences.

The Interior Design Studio by Armani/Casa, under the supervision of Giorgio Armani, will develop the interior design of the residences and common areas in which natural materials and precious finishes will be used throughout. The kitchens and bathrooms will be exclusively furnished by Armani/Casa. The result will be a cohesive Armani lifestyle setting.

PROJECT

ALPINE COZY

Alpine Chalet, in Gerignoz, near Gstaad is an amazing holiday home that has a discreet sense of luxury combined with a cozy atmosphere designed by Plus design and architecture by Claudia Sigismondi & Andrea Proto.

Located in one of the most coveted winter destinations, the Alps, an amazing holiday house is hidden by mountains. The interiors had to reflect the cosmopolitan spirit of the owner, offering something new and up-to-date to meet his needs and expectations. With interior design by Plusdesign and architecture by Claudia Sigismondi & Andrea Proto, the intent was to convey a discreet sense of luxury combined with the cozy atmosphere of an Alpine Chalet, in Gerignoz, near Gstaad.
