MOVING ART

Es Devlin, an artist and designer, creates sculptures and environments that are eclectic scenes stunning you with scale, music, language and light

Es Devlin is an artist and designer known for creating large-scale performative sculptures and environments that fuse music, language and light. She was born in Kingston upon Thames, London, on 24 September 1971. She studied English literature at Bristol University, followed by a Foundation Course in Fine Art at Central St. Martin's eventually specialising in theatre design. While undertaking her studies, she prepared the props for Le Cirque Invisible, the circus company founded by Victoria Chaplin and Chaplin's husband, Jean-Baptiste Thierree.

PROJECT

BIOPHILIC DESIGN

Ashley Gadeova with Covet House and Caffè Latte have turned a simple mansion into an extremely elegant one in the heart of Lombardy, New York, USA

One of the most famous design capitals, in the heart of Lombardy, is pleased to receive the contemporary and sophisticated price, conceived by Ashley Gadeova, for Caffè Latte and Covet House. This sublime cozy apartment is divided into three fundamental areas, in an open space regime, which will provide the greatest comfort and well-being, based on straight and elegant lines. As soon as we enter the house, we are faced with the majestic kitchen, covered in white and marble tones, with Moka Counter Stool, as true statement piece, next to the kitchen island. In addition, Liberty Small Pendant appears as a great and sophisticated complement of light. Large and spacious, the dining room is the ideal example of minimalism and functionality, with Ezra Dining Table appearing as a soft mid century inspiration, and Moka Dining Chair, from Caffè Latte, as a guarantee of a simple and comfortable seat. The nature-inspired shades expand in the center,

COLORS OF BATHROOM

Bathroom colours have a fascinating impact on how we respond to a space, let's see the five best ones to pick from!

Bathrooms play an essential role in our homes, it's where we typically start and end our day, as well as use it for relaxation and rejuvenation. Bathroom design plays a significant role in the overall feel and experience of the dwelling. Besides fittings and sanitaryware, colour plays a large role in how we respond to a bathroom. Bathroom "fashion" came into vogue during the Victorian era and generally complimented the overall interiors of a space. The initial all-white decor aided the feeling of clean bathrooms and hence were preferred. Gradually tastes started evolving and colors made an entry. In current times bathrooms have become an extended canvas for designers and architects.
