CHARISMATIC ATHANGUDI

Athangudi tiles are handmade and possess a unique charisma that comes from the sand it is made with

There are thousands of villages in Indian soil. There are numerous ones worth remembering because of their geographical position and a good number because of their significant role and participation in Nation Building. If cities are shining with talent abound, it is quite natural because of the facilities available in them. But if a village has to excel and stand in the forefront with buzzing economic activity, it is like a light shining in pitch darkness.

ETERNAL AESTHETIC

Raja Tiles, in existence since 1972, brings to life the eternal aesthetic appeal of handmade ceramic tiles and murals

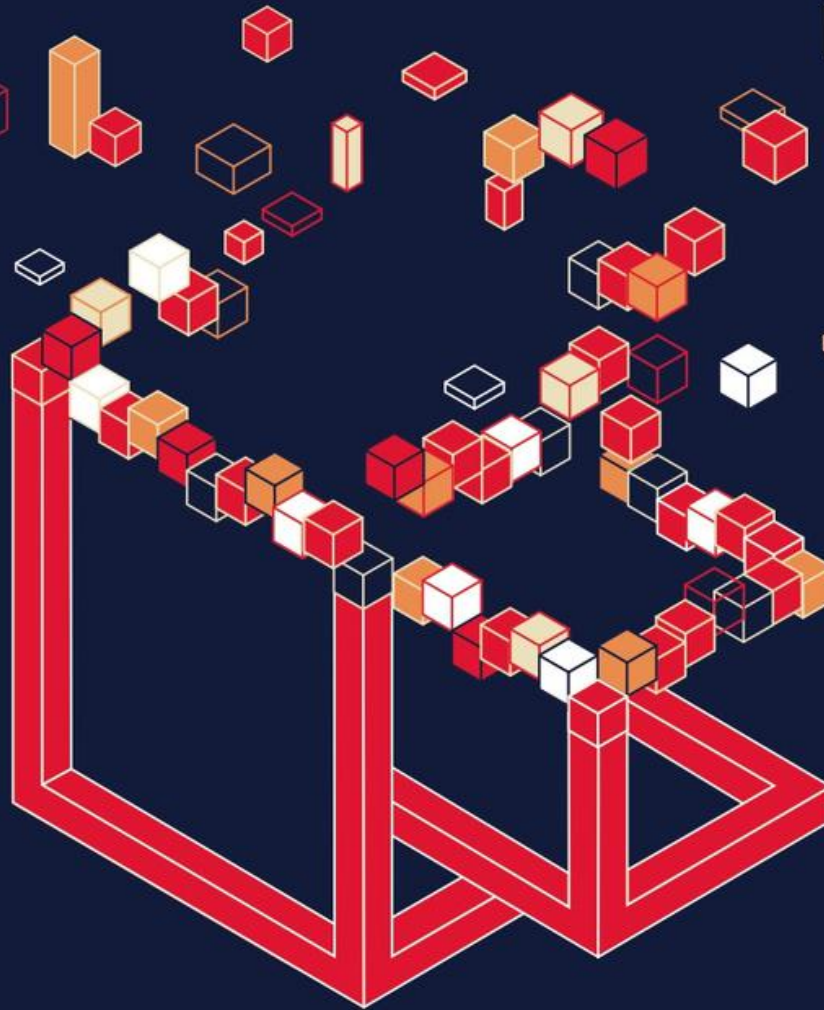

Anything handmade adds warmth and elegance to the infrastructure, both the interiors and exteriors. Handmade murals, ceramic tiles are a nucleus of cutting-edge, innovative designs exclusively made to give an aesthetic look and ace the design game. Raja Tiles are known to specialise in manufacturing and exporting handmade ceramic tiles which intersperse varying patterns and offer the ability to customise with ease and create a magnificent impact. This uniqueness gives rise to an element of interest with aesthetically pleasing artistic designs. Ceramic is synonymous with beautifying spaces which adds an instant touch of art and leaves the mark of elegance.

Raja Tiles came into existence in the year 1972 with the promise to take care of one's walls, forever.

DISTINCT TILE

Keramos is instantly recognisable because of the distinctness of their creativity and design

Established in 1981, KERAMOS, began as a small tile design studio for hand painted tiles. Over the years, the studio has introduced a large array of designer interior and architectural finishes such as ceramic tiles, stone products, roman mosaics, clay pavers, glass, mirror, stainless steel, pebble, metal, contemporary cladding terrazzo, polished mosaic etc. All designs are hand crafted and hand decorated, by craftsmen, potteries, small handicraft workshops, and artisan studios. All products are designed by the KERAMOS design team and all the production is closely monitored and supervised.
