MINIMALIST KITCHEN

La Fabbrica latest collection products are Ideal for Kitchen, that are smart, minimalist and ergonomic

TAn ideal kitchen stands out for its ability to combine style and efficiency. In this, minimalist design plays a prominent role, characterized by clean lines, smooth surfaces, and a space organization designed to minimize clutter. Ergonomics is crucial: a kitchen must be designed to facilitate movements and daily activities, with the placement of essential elements (stovetop, sink, and refrigerator) at optimal distances.

POETRY STONE

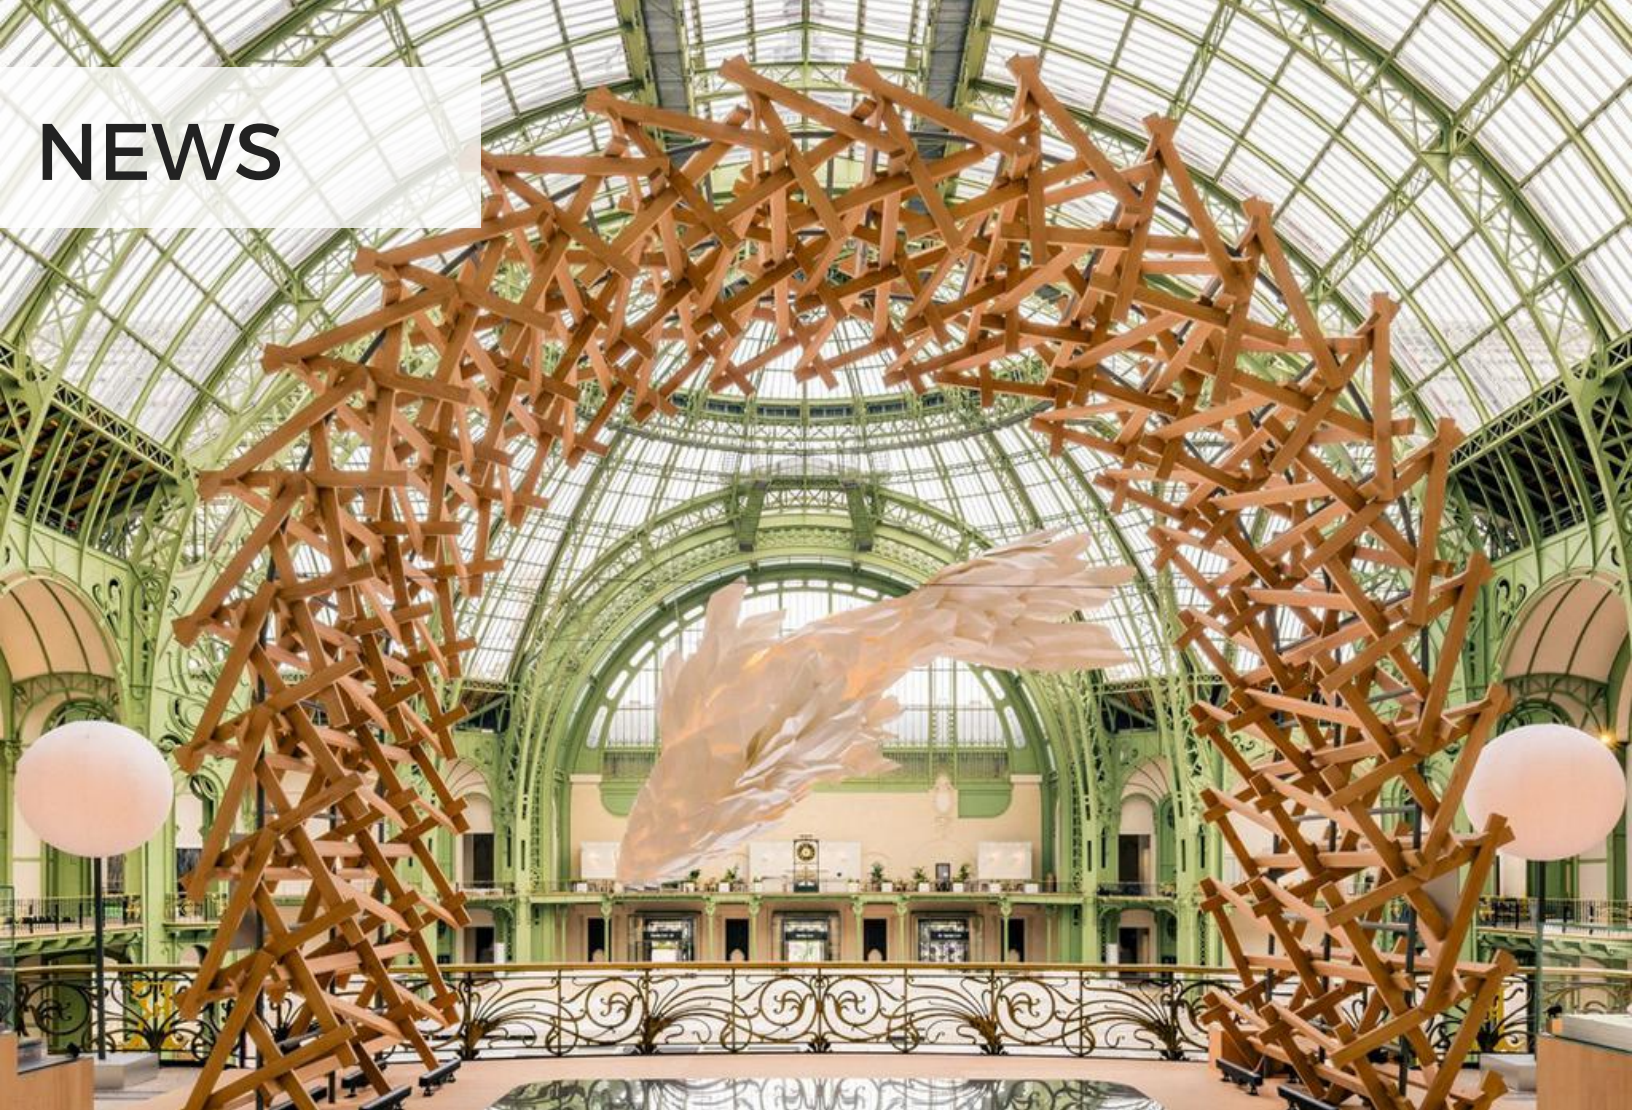

ABK group's latest development that was showcased at Cersaie 2024 highlights Paola Navone's new artistic creations

Cersaie 2024 was full of surprises and new beginnings with designs and great products Stone, wood, fabric, colour and decoration, these different themes, interpreted following the informal and unmistakable style of Studio OTTO-Paola Navone, become the ABK ceramic surfaces of the Poetry House collection.

Paola Navone, a Milanese designer, architect and art director renowned for her eclectic personality, free spirit and interest in different cultures designed the first two chapters of the collection, POETRY WOOD and POETRY STONE for ABK. ABK is expanding the collection with two new versions presented at Cersaie, POETRY NET and POETRY STONE RELOADED. Poetry Net tiles

ART WITH LUXURY

Louis Vuitton celebrates their 20 years collaboration with Frank Gehry at Art Basel Paris 2024

For the 2024 edition of Art Basel Paris, which took place from October 18th to October 20th, Louis Vuitton celebrated Frank Gehry and his incredible works.

They displayed his massive white fish lamp and other creations inside the Grand Palais. Frank Gehry and Louis Vuitton have collaborated for over 20 years together. Gehry was the brains of the architectural wonder, the Maison Louis Vuitton Seoul, which showcases a stunning glass-covered exterior and fluid line.
