BE VERY PERI

5 Design Ideas with Pantone Color of the Year- Very Peri!

As we cross the threshold into 2022, it seems appropriate that Pantone's color of the year stands for courage, inventiveness, and creativity. While many of us have spent a good chunk of the last two years sheltering in place, the rate of transformation of the outside world has only accelerated – as Pantone puts it, “As we emerge from an intense period of isolation, our notions and standards are changing, and our physical and digital lives have merged in new ways”. It stands to reason that in a dramatically changing landscape, we're going to need huge doses of courage, inventiveness, and creativity to navigate it.

BATHROOM DESIGN

A photograph of a modern bathroom. In the foreground, there is a dark grey double vanity with two sinks and minimalist faucets. A small glass vase with dried flowers sits on the counter between the sinks. To the right, a blue towel is draped over the edge of the vanity. Above the vanity is a large, rectangular mirror. The reflection in the mirror shows a stone wall and a white staircase. To the left of the vanity, there is a large window or glass door that looks out onto a rocky landscape. The lighting is soft and even.

EMBELLISHING BATHROOM

Ceramica Cielo embellishes the bathrooms of the exclusive Villa in AE.

Cielo is located in the Civita Castellana district. The distinctive feature of Cielo's products is the sophisticated and unique style, distinguished by pure, essential lines that portray the bathroom in an unmistakable way through a modern and contemporary mood, capable of enhancing the bathroom as a place of well-being characterized by a glamorous soul, rich in influences coming from interior design. The success of this strategy, which sees the Artistic Direction led by the designers Andrea Parisio and Giuseppe Pezzano, is evidenced not only by the numerous signed references from all over the world but also by the important international acknowledgments achieved.

Como Ceramica Cielo signs the interiors of Villa AE, an exclusive residence with great historical value: an architectural jewel that is the protagonist of a skilful restoration that has transformed the ancient structure into a prestigious luxury residence.

DESTINATION DESIGN - 2022

2022 will be a year of many new openings and completions, we present the top 8 architecture projects to look forward to from all over the globe!

Valley, Netherlands, by MVRDV

In the Netherlands, the Valley complex by MVRDV will open with three mixed-use high-rises that are lined with projecting stone-clad windows and balconies. While the building & construction has already finished, its green layer of 13,000 plants, trees, and shrubs is now being left to grow over the building & uneven edges in time for the 2022 opening.
