## PLAYFUL ARCHITECTURE

Renowned architect and designer Frank Gehry will turn 93 on 28 February. We share a brief journey through his life and work.

“Architecture should speak of its time and place, but yearn for timelessness.” –  
**Frank Gehry**

World renowned architect and designer Frank Gehry who is known for contemporary architecture and building world-famous attractions all around the world. Canadian-born American architect, his work involves a number of buildings and private residence. Gehry was born Frank Owen Goldberg on February 28, 1929, in Toronto, Ontario, to parents Sadie Thelma and Irving Goldberg. A creative child, he was encouraged by his grandmother, with whom he built little cities out of scraps of wood. Gehry's use of corrugated steel, chain-link fencing, unpainted plywood, and other utilitarian or "everyday" materials was partly inspired by spending Saturday mornings at his grandfather's hardware store.
