PEACH FUZZ

Pantone announces its 2024 Color of the Year, Peach Fuzz 13-1023

Pantone has announced its color for the year 2024- PANTONE 13-1023 Peach Fuzz. It is a heartfelt peach hue bringing a feeling of kindness and tenderness, communicating a message of caring and sharing, community and collaboration. A warm and cosy shade highlighting our desire for togetherness with others or for enjoying a moment of stillness and the feeling of sanctuary this creates, PANTONE 13-1023 Peach Fuzz presents a fresh approach to a new softness.

SURFACE 2024

Have a look at the trends in ceramic tile surfaces for 2024!

The Spanish ceramic tile industry is renowned for its long-standing history, ongoing innovations and commitment to sustainability. Thanks to these three factors, ceramic tiles have outstanding potential for transforming spaces, providing superb benefits in terms of their use and maintenance, as well as a wealth of aesthetic and design options. In terms of aesthetics, Spanish manufacturers develop their collections in line with the latest design trends, supported by an essential tool: the 'Guide to Home Trends,' published annually by the Home Trends Observatory (OTH), made up of several Spanish institutions dedicated to researching habitat design.

Outlined below are some of the key trends in tile decors and patterns for 2024, compiled by the OTH:

What follows is an introduction to the principal lines in decors and patterns for ceramic tiles surfaces in 2024, compiled by the OTH:
