SECRET GARDEN

Julie Chang's 23,000 square foot terrazzo floor, Secret Garden, took her ten years of meticulous work

Julie W. Chang's, Secret Garden at Salesforce Transit Centre, San Francisco, was honoured at the Americans for the Arts Annual Convention in Minneapolis among 50 outstanding public art projects. Julie Chang, the child of Chinese immigrants, grew up in Southern California in a home decorated with Baroque and Rococo patterns. Chang won her first public art commission right out of her MFA program at Stanford.

TIMELESS MINIMALISM

Axel Vervoordt, the Belgian maestro of timeless minimalism creates environments that are restful, unique and effortlessly complete. We explore his life and work...

"I want to give a different dimension to what I do. I don't like the word decorating. - **Axel Vervoordt**

Axel Vervoordt is a renowned interior designer known for his keen eye for beauty and impeccable design that flourishes on its own without any extravagant embellishment. His design and antique empire are marked by unique decor that cements an organic approach to design, fusing nature's elements with respect to its existing environments. Axel Vervoordt expresses his love for art with his Belgian roots through a voracious collection of antique art pieces and collectables. In addition to being an art dealer and a member of the AD100 Hall of Fame, he has designed the interiors of abodes belonging to Robert De Niro, Bill Gates, Sting, and even Calvin Klein.

EVENT

QUALICER 2024

QUALICER will take place from March 5th to 6th in Castellon, Spain

QUALICER will hold its XVIII edition on March 5th and 6th in Castellon, Spain. Year 2024 edition will open with a featured session, a panel debate dealing with new markets opportunities (new products and services) for the ceramic tile industry. Confirmed participants in this panel are Graziano Verdi, ITALCER CEO (Italy), Clark Cornelius, PANARIAGROUP USA COO and President (USA) and Manuel Angel Murillo, COLORKER CEO (Spain). The opening panel will be moderated by Bart Bettiga, Executive Director of the NTCA, National Tile Contractor Association (USA), representative of one of the associations that makes most effort in the training and preparation of ceramic tile installers and one of the most promising markets for quality products and added value in our industry.
