## PHILOSOPHY OF ZERO

The Amara Residence in Noida, India, designed by Ar. Akshaya Kapoor and Amrita Jena, founding partners of Furnish ME Architects, encapsulates modern living with traditional design, that resonate on both an aesthetic and emotional level

Nestled in Noida, this 1500 sqft apartment embodies the philosophy of Shunya (zero), with circular elements that symbolise continuity and completeness. The client, who is originally from Bihar, was looking for a space that reflected their cultural roots and personal style, rendering a modern, fresh, luxurious space that provides comfort and a welcoming atmosphere.

The International Surface event highlights new offerings and product discovery ahead of January 2025 event

The International Surface Event (tise), the largest flooring, stone and tile show in North America, returns to the Mandalay Bay Convention Centre, January 28-30 (Education January 27-30), 2025, for three full days of exhibits and education from the industry's most innovative sources.

With thousands of products on display and dynamic show-floor demonstrations of best practice, tise is an indispensable event for the surface, stone and tile industries where the widest range of products on the market are available under one roof, with more than 700 global brands showcasing materials, surfaces and flooring solutions

Bringing together over 21,000 industry professionals annually, attendees can discover the latest products, explore new trends and advance careers through education, certifications and networking opportunities.
