## PRODUCT INNOVATION AT CEVISAMA 2025

Cevisama 2025 to showcase latest products and innovations, organised by trade association ASEBEC, at their upcoming edition, which is going to take place from 24th to 28th February, 2025 at Valencia, Spain

Cevisama 2025 has confirmed that the ceramic tile manufacturing machinery and technology sectors will be taking part in the next edition of the fair, which runs from 24th to 28th February 2025.

These exhibitors will have a dedicated hall of their own in which to showcase their latest advances and innovations.

The move firmly establishes this segment of industry as one of the leading sectors within Cevisama's extensive offering, whilst highlighting an area that is particularly important for industry professionals.

The machinery and technology's joint participation will now be present at Cevisama every year, further boosting the appeal of the Feria Valencia event.

The presence of the sector specialising in machinery and technology for the ceramic manufacturing industry is being supported by trade association ASEBEC, which is once again looking to Cevisama to be a key showcase for its latest developments.
