PROJECT

THE IVORY DUST

Architect Siddhina Sakla has designed a simple and vibrant home in Panchshil Towers, Kharadi, Pune, India

The firm was started by Ar. Siddhina Sakla, who completed her Bachelor's in Architecture from Dr.B.N.College of Architecture, Pune, India and then pursued her Master's in Urban Design at Sheffield University, UK. Alongside, she also completed some modules at the University of Westminster, London, UK. She worked with eminent architects like Christopher Charles Benninger Associates, Pune, India and Nasser Gulzari Architects, London, UK, which specialises in sustainable Architecture in Palestine and also designed the parliament for Palestine. She devised her own design language through her varied experience in architecture and interior across London and Pune. A simple and vibrant home with ample storage and pops of colour was to be achieved through thoughtful design and careful consideration of the colour palette, minimalist design, storage solutions, lighting, and texture.

URBAN RESORT

Roseate House in Aerocity, New Delhi is a one of its kind urban resort, an epitome of luxury and hospitality

The Roseate, New Delhi is a one of its kind urban resort with 8 acres of verdant green and unperturbed water bodies which fuse seamlessly with award-winning architecture. It is the epitome of luxury and hospitality that offers an indefectible escape from tedious city life. Known as one of the peerless resorts in Delhi, The Roseate is only a few minutes' drive from the international airport, shopping malls, embassies, and offices in Delhi and Gurugram. The hotel conserves its eternal tranquil environment for its guests. Inspired by the five elements of Hindu philosophy – air, water, fire, earth and sky,
