ASTON MARTIN RESIDENCES

Aston Martin, the British luxury car manufacturer brand has opened its “first ultra-luxury real estate project” on the downtown waterfront, a towering flattened lozenge of a building named Aston Martin Residences Miami

The Aston Martin Residences is a 66-story sail-shaped building, with 490 feet of water frontage. It offers private lobbies, a fitness centre with spa, an infinity pool on the 55th floor, a yacht marina, Miami River views and more. Delivered in partnership with world-renowned property developer G&G Business Developments, the residences range from one- to four-bedrooms, as well as seven penthouses and a duplex penthouse.

PROJECT

SERENITY FIELDS RETREAT

Mayfair farmhouse in Raipur, Chhattisgarh, designed by Rashi Bothra and Ruchi Gehani of Azure Interiors, has included all sustainable and natural materials, themed around “Serenity Fields Retreat”

This earthy farmhouse themed around “Serenity Fields Retreat” could just have been in a charming Spanish town. Meant as a recreational space, Mayfair Farmhouse on the outskirts of the city Raipur, Chhattisgarh is a charming and rustic space that embraces nature’s elements and has a warm and inviting ambiance. The farmhouse is designed to blend harmoniously with the surrounding landscape, reflecting a deep connection to the earth. This picturesque retreat nestled far from the maddening crowd is where they would like to reset and rejuvenate and also entertain guests. Designed by Rashi Bothra and Ruchi Gehani, Founders & Interior Designers from Azure Interiors is spread over 7,500 sq.ft. This space was reincarnated as an airy, luminous haven. You enter through the wide, welcoming front porch spanning the length of the farmhouse, adorned with over flowing planters.
