## **GLORY IN A SINGLE ROCK**

The Kailasa Temple is one of India's greatest monuments that has been carved from a single rock.

The Kailasa Temple is a particularly notable cave temple in India as a result of its size, architecture and having been entirely carved out of a single rock. It is situated in the Ellora, a UNESCO World Heritage site located in the Aurangabad district of Maharashtra, India.

# SWEDEN - LAGOM

Lagom is an important word in Sweden, it means good enough, or just right, Sweden is exactly that! We explore...

Sweden, officially the Kingdom of Sweden, is a Scandinavian nation with thousands of coastal islands and inland lakes along with vast boreal forests and glaciated mountains. The capital city is Stockholm and it has a population of 10.3 million.

The architectural history of a nation naturally lends itself to the history of its monuments, and to the development of that nation's institutions of power: palaces, castles, and churches. This also applies in the case of the history of architecture in Sweden..
