RESTORATION

SUSTAINABLY RESTORED

Principal architect Jamshed Banaji and Nirmala Banaji of Banaji & Associates have meticulously restored and designed Coirato Villa in Aldona Goa as the quintessential Portuguese abode.

Principal and Founding Architect Dady Banaji established Banaji & Associates in Bombay (India) as an innovative and integrated practice in 1960. The firm gained an international reputation in 1981 with the introduction of its Design Studio in Muscat, Sultanate of Oman. He believed that good design works in harmony with people's lives; reflecting the way they live and adding style and inspiration to their home life. Today the illustrious firm has a new-age vision ushered by Architect Jamshed Banaji and Nirmala Banaji towards a global strategy incorporating the principles of care and integrity. The firm's expertise encompasses almost the complete spectrum of architecture and interior design. Jamshed Banaji has spent over 25 years making rigorously simple architecture that speaks of the fundamentals absorbed during his formation years in the university.

PROJECT

MODICAN BEAUTY

Architects Chiara Caberlon and Ermanno Caroppi of Caberlon Caroppi have designed the Modica Boutique Hotel located on the beautiful island of Sicily.

Modica Boutique Hotel is located inland on one of the most beautiful and expressive coastlines of Sicily. Compared to other hotels in the area, which choose to focus on more traditional regional aesthetics, the MBH focuses on a minimalist and elegant design that recalls the living-room-style concept, opening its doors to both personal and professional guests. The hotel is designed by CaberlonCaroppi Italian Touch Architects. This architecture studio born in 2004 from the design spirit shared by the two architects and founders Chiara Caberlon and Ermanno Caroppi.
