## SUSTAINABLE LUXURY

Four Seasons Resort Mallorca at Formentor reopens its doors after a renovation that honors its legacy while embracing sustainable luxury

The Four Seasons Resort Mallorca at Formentor, one of the Mediterranean's most iconic hotels, reopens its doors after a renovation that honors its legacy while embracing sustainable luxury. Set in an extraordinary natural landscape, this five-star resort has been reimagined to offer a unique experience where every material has been carefully selected for both beauty and performance.

ONIX, in collaboration with [Hidroingenia](#), contributed its innovative Penta Bali Stone Matte glass mosaic, chosen to enhance key areas of the resort, including pools and wellness spaces.

## COVERINGS 2025

Coverings 2025 wraps with strong growth, top innovations and global connections

Coverings ([coverings.com](https://coverings.com)), the largest and preeminent international ceramic tile and natural stone event in North America, successfully concluded its 2025 show with impressive exhibits, activations and momentum, drawing nearly 25,000 industry professionals to the Orange County Convention Center in Orlando, Florida.

Coverings 2025, which took place April 29 to May 2, experienced year-over-year growth with increased qualified attendance, augmented education and accelerated networking. Seventy-five percent of attendees specify or approve the purchase of materials. The upsurge reaffirms Coverings' position as the leading business hub for the international tile and stone community. This year's show also welcomed a vibrant mix of first-time and returning participants and saw notable attendance gains spanning key industry segments.

## DIVIA AWARD 2025

Vietnamese Architect Tran Thi Ngu Ngon Wins the 2025 Diversity in Architecture-DIVIA Award

The Diversity in Architecture (DIVIA) Award 2025 has been awarded to Vietnamese architect Tran Thị Ngự Ngôn, founder of Tropical Space, in a ceremony held on 10 May 2025 at the European Cultural Centre, in Palazzo Mora in Venice. The award includes international recognition and a €10,000 prize, honouring women architects whose work contributes to cultural diversity and inclusion in architecture. This year's edition featured five other finalists: Carolina Rodas and Carla Chavez from Ecuador, Izaskun Chinchilla from Spain, Cazu Zegers from Chile, Patcharada Inplang from Thailand, and Surella Segu from Mexico, all of whom were presented as part of the Time Space Existence exhibition organized by the ECC.
