## COVERINGS TILE TRENDS FOR 2023

Coverings 2023 commemorates National Tile Day with annual Top 10 Tile Trends for 2023!

Coverings has announced the top 10 ceramic tile trends for 2023 on National Tile Day. The tile trends were gathered and forecasted by the three leading international tile associations and sponsors of Coverings 2023 – Ceramics of Italy, Tile Council of North America and Tile of Spain – to highlight the most popular, on-trend styles of tile from the global marketplace. The top 10 tile trends provide a sneak peek of the immersive displays being planned for Coverings 2023, which will take place April 18-21, 2023, at the Orange County Convention Center in Orlando, Florida.

## WABI SABI

SPARANO + MOONEY Architecture new residence project Wabi Sabi, located in Emigration Canyon just above Salt Lake City, in Los Angeles celebrates a uniquely elevated canyon view with a rare and direct connection to nature

SPARANO + MOONEY ARCHITECTURE is a leading architecture and design firm with offices in Salt Lake City and Los Angeles. The firm was established in 1997 by John Sparano and Anne Mooney and is now under the leadership of the founding partners along with Ludwing Juarez, Nate King and Seth Striefel. The practice has been consistently recognized for design excellence and has received over 50 design and honor awards since 2000. Sparano + Mooney Architecture was named the 2017 American Institute of Architects Western Mountain Regional Architectural Firm of the Year and the 2013 American Institute of Architects Utah Architectural Firm of the Year. John Sparano, FAIA, has served as the President of the local chapter of the AIA and has won both the Bronze and the Silver medal for his achievements in architectural practice, the highest honors given in the region. John was elevated to fellowship in the American Institute of Architects in 2015.

## **DAVID CHIPPERFIELD WINS PRITZKER PRIZE**

British architect David Chipperfield wins 2023 Pritzker Prize award!

British architect David Chipperfield has been awarded this year's Pritzker Architecture Prize for his "understated but transformative" body of work that spans four decades. Chipperfield is the 52nd winner of the prestigious Pritzker Architecture Prize, which is considered the most significant award in international architecture. Born in London in 1953, Chipperfield began his career after graduating from the Kingston School of Art in 1976 and later from the Architectural Association in 1977. He worked for fellow Pritzker Architecture Prize laureates Norman Foster and Richard Rogers, before establishing his eponymous studio David Chipperfield Architects in London in 1985.
