## DEEPLY DREAMY

R Collection hotels are uniquely Italian and are immersed in the history and culture of the area, surrounded by the precious treasure of beautiful parks, gardens and the sea-side

R Collection Hotels is a hotel group with an important presence on Lake Como, in the enchanting scenery of the Central Lake area, with its antique villages, splendid gardens and the surrounding mountains that frame a romantic, refined and elegant landscape. Three of the Group's hotels are located here, the Grand Hotel Victoria in Menaggio, the Royal Victoria and the Villa Cipressi in Varenna: three different interpretations of the concept of hospitality,

URBANIST EXTRAORDINAIRE

Famous architect, architectural theorist, urbanist, and the winner of the 2000 Pritzker Prize, Rem Koolhaas turns 77 on 17 November. We explore his journey...

Rem Koolhaas is a Dutch architect, architectural theorist, urbanist and Professor in Practice of Architecture and Urban Design at the Graduate School of Design at Harvard University. He was born on 17 November 1944 in Rotterdam, Netherlands. Koolhaas worked as a journalist before becoming an architect. Changing his focus to architecture, from 1968 to 1972 he studied at the Architectural Association in London, and from 1972 to 1975 he studied at Cornell University in Ithaca, New York. In 1975 he formed the Office for Metropolitan Architecture (OMA), having offices in Rotterdam and London. He also began teaching at his Alma Mater, during which time he met a young Zaha Hadid. Hadid soon joined OMA, and together the group began working on a series of highly conceptual, predominantly unbuilt projects, highlighted by the Dutch Parliament Building in The Hague.
