Sanjauli, a city in Shimla, Himachal Pradesh, India, is known for its unique architecture and colourful residential homes on steep gradient hillside.

Shimla is a beautiful hill station in the Himachal Pradesh state of India. It is popularly known as the "Queen of Hills". Shimla was a major town in the time of Britishers. Being about 7500 ft. above sea level, Shimla is one of the favorite holiday destinations among tourists.

During the time of the British, Shimla was the summer capital. This is the reason why, Shimla has buildings, homes, churches, and lodges that are typically British in architecture. The architecture of Shimla is called colonial architecture. Renaissance influenced designs and neo gothic architecture are predominant in the buildings of Shimla. There is a famous and not so explored city in Shimla called Sanjauli, which is also called the heart of Shimla.
