FESTIVE DECOR TRENDS

DIVING INTO DIWALI

Diwali is just round the corner, dive with us in an all delightful decor mood!

Diwali, the most awaited and loved is around the corner. A massive show of lights, colours, and decorations accompanies Diwali. Given that this festival stands for the triumph of good over evil, Diwali decorations emphasise optimism with lots of lights and vibrant decorations. Decorate your home for Diwali with cheerful accents and traditional decor mixed with a modern touch. So this Diwali, decorate your home with these fresh and contemporary decorating ideas.

Wall-hanging candle holder

Candles are an indispensable part of decorating the home for Diwali. Floating candles and stunning candle stands are some of the most used Diwali decoration items. Lighting and arranging the candles will help create a picturesque setting that will make your house warm and inviting. For many Indian families, using floating candles is not just a Diwali decoration idea but also used for performing important Diwali rituals. While performing arti, you can also use brass-made candle stands.

ARCHITECTURE

WORLD'S TALLEST SKYSCRAPERS

Read on to know more about the four tallest buildings of the world!

Lotte World Tower, South Korea

South Korea has global popularity that is increasing momentarily in the fields of entertainment, technology, and innovation. Popular for K-pop and K-dramas, South Korea is also famous for its architecture and culture. Modern architecture is also a growing trend and has resulted in iconic structures using innovative technology and creativity. One of the popular modern architecture is the Lotte World Tower, which is also South Korea's tallest building. It is a 555.7-metre (1,823 ft), a 123-story skyscraper located in Sincheon-dong, Songpa District, Seoul, South Korea.
