COUNTDOWN BEGINS - CERSAIE 40, 2023!

Route 40, the 40th edition of Cersaie will be a showcase of the most defining moments from these four decades of evolution

Cersaie owes its great success to its identity as a pivot, a focal point where creativity takes shape, where innovation and anticipation turn into events and products; a multidisciplinary and multicultural place where surfaces and products for tomorrow's ideal habitat are imagined, designed and presented. On their stands, companies display their products in such a way to create a vision of a holistic design solution, combining outdoor and indoor spaces to create an environment that respects the needs of people and nature,

DECOR TRENDS

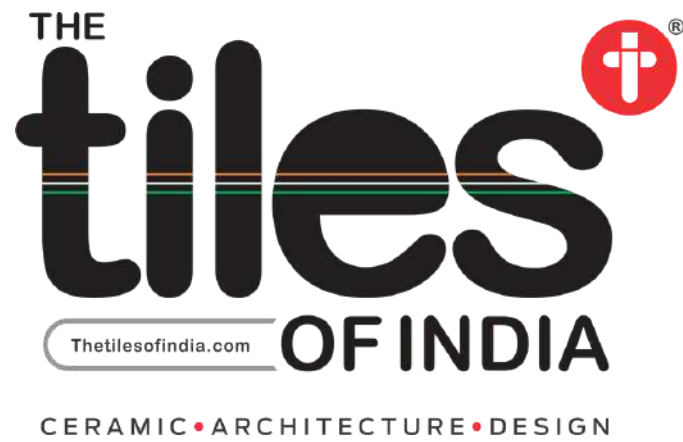

DELIGHTFUL DECOR

Monsoon decor trends 2023!

When we talk about monsoon season it brings a dual feeling where the exterior feels fresh and renewed but the interiors feel clogged with moisture. We feel the need to uplift the mood and aesthetic and to revive the look of the space, preferably with colourful palettes and tidier statements that help us enjoy the slow, self-reflecting time we get. It's the perfect time to sit back and fade into the ambience and make nothing but effortless ways to go with the flow of the season.

Here are a number of things you can do to keep your space fresh and peppy through the monsoon!
