## AN OVAL EMBRACE

Architect Diana Kellogg talks to us about the design intricacies of Gyan Center, Rajasthan, that has won her worldwide critical acclaim

Architect Diana Kellogg from New York City founded her firm Diana Kellogg Architects in 1992. The firm is committed to sustainable design which got its start in high-end residential but has evolved in its latter years into nonprofit and community work. A guiding core principle of the company is its deference to an existing sense of place and history -- creating spaces that provide for communal interconnectivity.

## ADI AT CERSAIE 2023

ADI will assign two awards for the quality of ceramic tiles, bathroom furnishings and booth design

The Italian industrial design association ADI is continuing its collaboration with Cersaie, the most important international exhibition for the world of ceramic tiles and bathroom furnishings, architecture and design which will be held this year in the Bologna Exhibition Centre from 25 to 29 September 2023 with the participation of over 600 exhibitors from 25 countries.

ADI has been partnering with Cersaie for about ten years as part of its core mission to promote the development of industrial design as a cultural and economic phenomenon and to support the responsible and sustainable improvement of living conditions for all. For this purpose, ADI will present two awards in recognition of the quality of products exhibited at Cersaie 2023.
